

# May 2019 Paint Out Brigham City Train Depot

Where:  
844 W Forest St  
Brigham City UT

When:  
11:00 AM to 1:00 PM  
May 18, 2019

This is a rain or shine event. We'll start an hour later so those in Salt Lake City and further south can join us. If you'd like to carpool, meet at Sons of Utah Pioneers at 9:30 AM.

Please join us for a Plein Air event that is located far enough north for our UWS Cache Valley members to attend. The Brigham City train depot, while small, has a charm all its own, with interesting roof angles, stonework, and train tracks and rail cars too.

There is a small parking lot just east of the building where we can all meet. We can paint from the backs of our cars or walk around to get different views of the main building and other features nearby. Plan on friendly critique, a photo op, and general chatter for a few minutes before we head to lunch.

Lunch at:

88 Asian Fusion and Sushi Burrito  
894 West 1150 South, Brigham City, UT 84302  
When: 1:30 PM
