

July 13th, 2019 Paint Out

Greetings UWS Members! Just because we don't have general meetings during the summer months doesn't mean that we can't get out and paint together. Please set aside the day and plan to bring your family, since they'll have plenty of options for activities while we all paint. There're many beautiful subjects that we can include, something for every style.

July is peak wildflower season, and there's no shortage of them at our destination, Strawberry Reservoir, along with many other subjects to choose from.
